

Make a Difference

*I can make a difference
You can make a difference
We can make a difference
In this world of ours
(repeat)*

I've got the power – to do some good
I've got the power – to change my attitude
I've got the power – to say if I don't agree
I've got the power – to dream what I'd like to be

I can make a difference...

You've got the power – to go the extra mile
You've got the power – to listen for a while
You've got the power – to lend a helping hand
You've got the power – to try and understand

I can make a difference...

We've got the power – to choose between right or wrong
We've got the power – to sing along with this song
We've got the power – to show a little grace
We've got the power – to make this a better place

I can make a difference...

DESCANT (Sung on top of final chorus)

We've got the power
We've got the power
