

We Like, We Like

We like blowing whistles
we like making noise
we like being quiet
being girls and boys
we like drawing pictures
naming shapes of clouds
we like jumping up and down
singing songs out loud

***We like, we like this life (Oi Oi!)
but best of all we all like me...(Oi Oi!) (x2)***

We like second helpings
being praised at school
we like making biscuits
splashing in the pool
building winter snowmen
racing on our bikes
we like summer holidays
we like the likes we like

We like happy birthdays
Christmas presents too
DVDs, computer games
Shouting out YAHOO!
We like telling stories
and jokes that make us laugh
we like the calm koala bear,
the budgie and giraffe
